What happens in our kitchen?

All our food is freshly made to order, but our kitchen is not nut free. Whenever possible we buy our produce locally – just try our great tasting Sussex sausages, bought from the butcher here in Worthing. If you want to find out more (our bread, veg and even our coffee come from local businesses) then simply ask and we will share.

Any special requests?

We have loads of veggie and vegan options on our menu and we also have gluten free bread, gluten and dairy free cakes. Plus oat, almond and soya milk - so don't be shy, just ask!

Some other things you might like to know

We open 7 days a week, 9.30am – 4pm (later in the Summer months)

From corporate Munch to private Munch – think of an occasion and we can cater for it. If you'd like to know more about this service ask for either Samantha or Teresa or call us on **01903 232288**

Alternatively look at our website www.munchcoffeebar.co.uk
